## Foreword

Iris catalog time is here again. We hope this one will fulfill your expectations as to what an iris catalog should be. We hope to serve our old customers as well as many new ones during the coming season.

### About the garden

The Eden Road Iris Garden is open week days from 10:00 A.M. to 5:00 P.M. During blooming season it is also open Saturdays and Sundays same hours and also evenings by appointment. You are cordially welcomed to visit the garden and see the great progress being made in present day iris. The acreage devoted to iris is larger here this year; more trees, shrubs, and rockeries have been added to make a beautiful setting for the iris. The garden is also a bird sanctuary and more birds are finding the garden and staying each year. Each year many new iris are added from the top hybridizers of the world, and more than 125 varieties are being grown here to increase stock and are not listed in the catalog. We hope to list many of these next season. These are the ones that the visiting judges of the American Iris Society come to see. We invite you to come and see them too. They are not available here this year, but come and see them—get a preview. Here are but a few of them: Annette, Beechleaf, Bella Mohr, Bold Adventure, Briar Rose, Brigadoon, Butterhorn, Carmela, Champagne Velvet, Country Editor, Crescendo, Deep Black, Derwentwater, Desert Flower, Elizabeth Noble, Elysian, Fancy Rhythm, Front Page, Full Reward, Gracelle, Happy Meeting, Huntsman, Jan Hess, 'Lasses Taffy Lavish Lady, Major Eff, May Sky, Mission Rose, Mohave Gold, Mulberry Snow, Nevermohr, Night 'n Day, Night Shadow, Nomohr, Olympus Skies, Orange Apricot, Orange Banner, Orchid Queen, Oriental Magic, Persian Robe, Pink Clover, Pink Enchantment, Pink Fulfillment, Plumed Delight, Red Chieftain, Regina Maria, Rio Arriba, Ruffled Elegance, Sea Maid, Shock Wave, Sky Crystal, Sky Dye, Snow Goddess, Surprise Party, Swan Ballet, Techny Chimes, Unicorn, Victoria, Violet Grace, and Wheel of Fortune. These are not available here this year, but we hope to have enough stock to list most of these next season.

Come and see the New Introductions. We don't have enough stock built up yet to release Alice Lemen, Butterscotch Kiss, Pretty Gay, and First Flight but ask to see them. You'll hear a lot more of this group.

There are lots of Guest Iris, seedlings under number from other hybridizers, and thousands of row-run and also re-selected seedlings from my own hybridizing. Let us know the ones you like. We like to have other opinions in selecting the ones for introducing. We want to make available the ones that you want for your flower border.

So come and visit the garden during blooming season. Garden is located at end of Eden Road, also known as S.E. 8th St., four miles down river from East Wenatchee. Follow the signs.

My chief helpers the past year were Gerry Smith, Jerry Bainard, and Gary Dasso. All are high school sophomores in the '55-'56 school year. The first two attend the new Eastmont High School in East Wenatchee, while the latter goes to Wenatchee High School across the Columbia from East Wenatchee. These young huskies have all three won their football letters and are turning out for basketball. Jim Smith, Gerry's older brother, is now married and works for a Wenatchee fuel dealer.

### About the catalog

Much research and checking has gone into forming this catalog. In the main variety list, after the variety name comes the hybridizer's name and the year the iris was introduced. Next comes the symbol for the season of bloom—E, M, L—signifying Early, Medium, and Late. After this in parenthesis is the breeding. Here look first for the capital "X." To the left of this is the pod parent. To the right is the pollen parent. This capital "X" is my own idea. In involved parentages, it is proving invaluable in helping to simplify and speed up reading of these lineages. Following the parentage is a brief description. Then comes the awards an iris has won.

A word about the awards may help you who are not A.I.S. members to understand them. H. C. (High Commendation) is an award given to a seedling iris, either under number or name, not introduced at time of judging. This is a recommendation that this variety is worthy of introduction. Next honor in line that an iris may win is the H. M. (Honorable Mention). Any iris that has been officially registered and introduced before the current July 10 is eligible for this award. Next comes the A. M. (Award of Merit). This award is given only to those iris that have won an H. M. not less than two or more than five years prior to the current season. The top award is the Dykes Medal. For a tall bearded iris to win this, it must first have won an A. M. during the previous four years. Mention should be made here, too, of the President's Cup award. This is given to the outstanding iris variety seen at each yearly convention of the A.I.S.

So keep in mind in reading this catalog that there is just one Dykes Medal awarded each year. There are 12 A. M.'s awarded each year (or more if a tie vote appears for 12th place). There is no limit to the number of H. M.'s awarded each year. A variety must receive 12 A.I.S. judges' votes to get this award. There were 43 H.M.'s awarded to Tall Bearded iris in the 1955 voting.

We can't bear it if we don't have your order.

### Cultural Directions for Bearded Iris

Rhizomes will be shipped to you in a firm condition and should be planted as soon as possible after they are received. If you are unable to plant on receiving them, then be sure and keep the rhizomes in a dry and cool place until you can plant them.

Your soil should be damp before planting and a good wetting after planting is usual, depending on weather conditions. After roots are well established, be careful and DON'T water too often. Bearded iris demand good drainage. If your soil is heavy and poorly drained, set the rhizomes a little higher than the surrounding soil. The rhizome should be planted so the soil just covers it and no more; be sure and spread the roots well and firm the soil around them. This will anchor the rhizome until the new roots form.

A small handful of bone meal to each plant well worked through the soil before planting is advised. In early spring a side dressing of WELL ROTTED manure produces beautiful blooms. Care must be taken not to allow any fertilizer to come in direct contact with the rhizome.

Separate your plants about every third year for best results.

..... \$7.50

### GOLD SOVEREIGN

Very vivid deep orange yellow. Medium sized flowers with fair branching. Much in demand because of the intense color. Vigorous and hardy. A. M. '53.....\$1.50

## LEADING LADY

Large, broad petaled, lightly ruffled flower. Standards are bright pale yellow, and the creamy falls are bordered yellow. Charming. A. M. '54. ....\$2.00

# 1956 INTRODUCTIONS

- CHUMSTICK** (Plough '56) M. 39 in. No. 49-95-2. (Tiffany x Red Gleam) X (Fire Dance). Tall and showy plicata. The standards are warm buff-white with a chartreuse cast and blended border of light dahlia purple. The falls are warm buff with hafts of dahlia purple and border of lighter tint of same. Fine branching. . . . . \$10.00
- CLOUD PARADE** (Plough '56) M. 36 in. No. 51-49-1. (Cloudcap) X (Gilt Edge x Hit Parade). Garden visitors have loved this showy pink since it first bloomed. Nicely ruffled, this is a clear, clean, bright pink and is set off by a fiery red beard. Strong stalks. New blood here for pink breeding . . . . . \$15.00
- COLOCKUM** (Plough '56) M. 33 in. No. 49-59-3. (Gold Ruffles X Chantilly). As might be expected from this parentage, this beautifully ruffled lemon cream has the edges of the falls heavily fluted and shirred. The standards and style arms are lightly shirred. The falls are faintly lighter than the standards. Intense yellow beard. Short supply. . . . . \$12.50
- EASTMONT** (Plough '56) EML. 40 in. No. 50-39-1. (Snow Flurry X Capitola). Intense violet with brilliant coloring. The flowers are large and ruffled. Stalks are well branched and tall. An unusual feature is the foliage which is sword-like and grows very tall. Named after our new local high school. . . . . \$15.00
- FUTURAMIC** (Plough '56) M. 33 in. No. 49-66-4. (Cascade Splendor X Chantilly). Here is a frilled and shirred beauty in soft pastel tones. The falls are chrome yellow shading to rose bengal at tips. The standards are a lighter tint of rose bengal shading to chrome. Substance is very heavy and leathery. Proving a fine breeder. . . . . \$12.50
- GAY PAREE** (Plough '56) EM. 38 in. No. 51-96-1. (Hall Pink Sdlg. x The Capitol) X (Loomis Pink Sdlg. x Golden Eagle). This is the gay, colorful, carnival affair that you've been waiting for. The flower is a snowy white self. There is an overlay of chartreuse green and gold on the upper part of the falls, and a heavy geranium-red beard gives the finishing touch. This is already breeding some startling seedlings. Fertile both ways. Advance orders have been booked so speak early to make sure of getting this beauty. Pictured on page 4. H. C. '55. . \$25.00 net\*
- JUNGLE DRUMS** (Plough '56) EML. 28 in. No. 50-37-1. (Craig's Sdlg. No. 5: Purissima x Capitola) X (Joppa Parrot). Beautiful and strangely patterned new hybrid that always attracts much attention. The standards are grayed lavender splashed light brown. The falls are buff heavily splashed deep purple. An exotic novelty. . . . . \$15.00
- QUEST** (Plough '56) M. 40 in. No. 49-57-2. (Midwest Gem X Chantilly). Lace edged iris are much in demand and this one is popular with visitors. The falls are Cyclamen purple with empire yellow hafts. The standards are lighter. Heavy yellow beard. Substance and branching are fine . . . . . \$10.00
- SCENIC** (Plough '56) M. 42 in. No. 51-34-2. (Futuramic) X (Laurel Hill x Gems of Topaz). Part onco. beauty. This is a self color of mineral violet with upper part of falls barium yellow. There is a gold dust glitter over the entire flower. Form is flaring and ruffled. Substance is leathery and branching is good. . . . . \$10.00
- SMITHSONIAN** (Plough '56) ML. 36 in. No. 50-38-1. (Elmohr X (Muhlestein's No. 47-31: Golden Eagle x Pikes Peak Pink). Buds are light blue. Flower opens blue white changing to pure white. The hafts are clean and are deep olive. The beard is wide and deep tangerine-red. This gives a red, white, and blue effect. A really startling color break that you will want in your garden . . . . . \$20.00
- TICO TICO** (Plough '56) M. 33 in. No. 49-95-6. (Tiffany x Red Gleam) X (Fire Dance). Sib to Chumstick. Very contrasty and colorful plicata. The falls are Mimosa yellow with almost solid dark brown haft and border. The standards are Mimosa blended to brown at edges. Well branched stalks. . . . . \$10.00
- TRULY FAIR** (Plough '56) EML. 48 in. No. 51-47-1. (Cloudcap X Pink Formal). We are happy to have enough stock of this pink with so many good qualities. It is a bright medium pink with an intense red-tangerine beard. The petals are wide and full and have a long lasting quality. As might be expected in a flower of this height, the branching is rather high. This makes a beautiful clump. We are using this heavily in our breeding program. Vigorous grower. . . . . \$25.00 net\*

\*Note. The price on Gay Paree and Truly Fair is net, and does not figure in any price premium as shown in this catalog. All other introductions are subject to the Free Premiums as shown on page 6.

- A. Z. WELLS** (Noyd '53) L. 32 in. (Ormohr X Indian Hills). Large rich purple showing some of its Mohr blood. Very attractive and colorful. Named for our late great local citizen who did so much for our community. This variety sets seed and so may be of value to hybridizers. . . . \$4.00
- BALI BELLE** (Mitchell '46) M. 33 in. (From two plicata sdlgs.). Creamy yellow with a chartreuse cast. This is sprinkled with a pastel cocoa-lavender dusting and a blue line extends down from the beard for a highlight. Standards and falls are full and round and the falls flare. One of my personal favorites. Wonderful grower. . . . \$1.00
- BALLERINA** (D. Hall '51) M. 36 in. (Cherie X Fantasy). Very large, wide petaled, light Flamingo pink. One of Mr. Hall's finest creations. This one seems to have everything. A. M. '53. . . . \$3.00
- BALLET DANCER** (Kleinsorge '49) EM. 36 in. (Chamois X Cascade Splendor). Beautifully formed apricot-tan in a heavily ruffled, flaring flower. A. M. '52. . . . \$1.00

- BANNER BRIGHT** (Crosby '54) ML. 36 in. (Mellowglow x Sunset Serenade) X (Cascade Splendor); Harmonious blend of buff and orange. The petals are wide and firm and the flower is large. A color highlight and should be of value as a breeder. H. M. '54 .....\$10.00
- BAY STATE** (Corey '49) ML. 38 in. (Pale Moonlight X Great Lakes). A contender for the bluest iris crown, this beauty is of silken texture and without veining. Nicely branched and with a good stalk. H. M. '49. .... \$1.00
- BEACON HILL** (Corey '54) M. 36 in. (Helen McGregor X Bay State). Clean, non-fading light blue that is much admired. Form is smooth and ruffled on a strong stalk. Good grower. H. M. '54.....\$15.00
- BEAU AMBER** (Nesmith '52) M. 40 in. (Beau Gay X Courtier). Apricot self even to the beard. The standards are nicely domed and the flaring falls are lightly ruffled. . . \$1.00

**CAROLINE JANE**

- CHIQUITA** (Knowlton '51) ML. 36 in. (Amigo X Wabash). The pale blue-lavender standards are closed and firmly held; the flaring deep velvety blue-purple falls are edged with the color of the standards. This flower has charm plus as both standards and falls are ruffled. H. M. '51 . . . . . \$3.00
- CHIVALRY** (Wills '44) ML. 36 in. (Missouri X Great Lakes). Ruffled medium blue of very heavy substance. This great iris has all good points, form, charm, appeal, fine bloom placement on well branched stalks, and is a vigorous grower. A. M. '46 Dykes Medal '47. Pictured on page 44. . . . . \$1.00
- CHUMSTICK** (Plough '56). See introductions.
- CLARA B** (Muhlestein '52) ML. 37 in. (Chantilly) X (Hall's 42-10 x Loomis' SQ-72). White with lemon gold border on standards and falls. This border is heavily laced and crimped. This is proving a fine breeder for the lace edges now so popular. . . . . \$4.00
- CINNAMON TOAST** (Sass '53) ML. 36 in. (Involving Midwest Gem, Prairie Sunset, Flora Zenor, and Aleppo Plain). Large, bold cream ground plicata sanded red brown. The standards are heavily flushed while the falls have a wide border. One of the finest new varieties. The strong plants produce heavy, well-branched stalks. H. M. '53 . . . . \$12.00
- CLEAR SAILING** (DeForest '50) M. 36 in. (Tiffanja X Coritica). Very clean lemon yellow in a flaring flower of nice form and finish. Fresh and appealing. Fine in a clump. . . . . \$2.50
- CLIFFDELL** (Norton '52) ML. 38 in. (Alexia Sdlg. X Cascade Splendor). Blend of brown and gold with a flush of orchid-rose on the falls. The edges of both standards and falls are crimped and laced. Attractive, and really passes on the lace edges to its progeny. . . . . \$2.25
- CLIFFS OF DOVER** (Fay '53) M. 36 in. (New Snow X Cahokia). Grand new white, large, flaring, and ruffled. The substance is heavy. Beard is light yellow. A. M. '55 . . . . \$7.50

- CONSTANT COMMENT** (D. Hall '54) M. 36 in. (Two Sdgs.) Apricot pink self with a heavy red-orange beard. Flowers are large and heavily subenced with finely notched edges. Husky grower. . . . . \$8.00
- CORDOLON** (Schreiner '53) ML. 40 in. (Gypsy Rose X Alpine Glow). Beautiful blend of rose and tan. Flowers are large and with heavy substance and help prolong the iris season. . . . . \$5.00
- CORONATION RED** (H. Hall '53) M. 39 in. (Color Sargeant X Garden Glory). Glowing, non-fading oxblood red with the standards slightly lighter in tone. The flaring falls have a velvety finish and are clean-hafted. Rich orange beard. Wide branched and vigorous. Very brilliant and fine. H. C. '52. . . . . \$5.00

- CORONATION TAPESTRY** (Craig '53) M. 36 in. (Gay Senorita X Joppa Parrot). Strangely blended and veined bi-color. This is rich and striking in mahogany, lilac, rose, gold, and brown . . . . . \$7.50
- COTTON CANDY** (Sass '53) ML. 36 in. (Involving The Red Douglas, Prairie Sunset, Amenti, Flora Zenor, etc.). Light pink with coral beard. Petals are well rounded and form is flaring. . . . . \$3.00
- COUNTRY BUTTER** (Sass '53) ML. 36 in. (Sable x Starless Night) X ((Snowking x Sdlg.) x Ola Kala). Bright deep butter yellow of heavy substance. Unusual pedigree may make it useful for hybridizing. H. M. '54 . . . . . \$3.50
- CREAM CHIFFON** (Innes '53) M. 38 in. (Blue Rhythm X Ruth). A sensational flower from an unusual cross. Standards are light canary; falls are creamy with canary beard. A big frothy cream of fine form on a tall, very well branched stalk. Very fine. . . \$4.50
- CRIMSON GLAZE** (Craig '50) M. 40 in. (Naranja X Rich Raiment). Medium sized red bi-color with brown influence. There is a crimson glaze on the falls and a white accent under the beard. Mr. Craig, as well as Mr. Tompkins, is getting reds from the plicatas. . . . . \$1.50
- CREAM COCKATOO** (Keith) M. 34 in. (may be sport of: California Gold X Happy Days or may be California Gold X Zebra). This is listed for the hybridizer mainly. The foliage is variable, running from all green to all white with some fans variegated and others nicely striped. The white tips sun scald and turn brown. The flower is quite large and of a clear light yellow. It is semi-flaring in form. Crossed with Mary Randall pollen, this produced several all white seedlings (foliage) which died in the seed bed and several all green seedlings which are to bloom in 1956. Cream Cockatoo is not a sturdy grower but may produce something unusual. A pink iris with foliage of Zebra would be a sensation. Mr. Keith consented to let me list this interesting variety so that hybridizers might have access to it for breeding. Earliest orders will receive the most uniformly striped fans. . . . . \$2.50
- CRISPETTE** (Schreiner '54) M. 34 in. (Involving Harriet Thoreau, Angelus, Matula, etc.). This deep orchid beauty gives a feeling of sturdiness and massiveness yet it is ruffled and the petal edges are fluted and lace edged. H. M. '55. . . . . \$10.00
- CRITERION** (G. Douglas '51) ML. 38 in. (Extravaganza X Wabash). Large new amoena with white standards and deep violet blue falls edged in white. Showy and fine. H. M. '52 . . . . . \$5.00
- CRYSTAL CLEAR** (Craig '51) M. 34 in. (Purissima X Capitola). Smooth blue with a faint green tinge. Full Mohr type flower. Distinct looking and hardy. . . . . \$4.50
- CURTIS A** (Van Slyke '54) ML. 38 in. (Sib. to Hit Parade X Pink Tower). A new light pink beauty that is large and full formed. The broad petals are lightly ruffled. Form, finish, and growth habit are all good. . . \$7.50
- CUSTARD** (Craig '50) M. 38 in. (Rich Raiment X Mitchell Sdlg.). Large soft creamy yellow sprinkled with cinnamon. An attractive plicata of heavy substance and lustrous finish . . . . . \$1.00
- DAFFY** (DeForest '47) M. 38 in. (Adelanto X Tiffany). Fancy plicata. The ground color is creamy white. Standards are flushed maroon. Falls are peppered, striped, half-and-half and all variations between. Interesting in a clump. . . . . \$1.00
- DAMASCUS BLADE** (C. White '53) M. 38 in. (Involving Quaker Mischief. 1/4 onco. blood). An exotic steel gray with a light blue blaze in the falls. There are some shadings of mauve-pink and brown, but the effect is gray. Sensationally different—a real breeder's triumph . . . . . \$7.50
- DANCING DEB** (Tompkins '52) ML. 38 in. (Delilah x Seashell Sdlg.) X (Jake). Nicely formed flower in clear, light heliotrope. The petals are broad and ruffled. Falls are flaring. H. M. '53. . . . . \$3.50
- DANCING TIGER** (Schreiner '53) M. 38 in. (Two Sdgs.). Beautiful new yellow-ground plicata marked with brown. A big improvement in this color class, this is bright and showy with fine form and good growing habits . . . . . \$6.00
- DANCING WATERS** (Sass '50) M. 36 in. (Blue Shimmer X ?). White plicata trimmed in bright blue. Fine form, heavy substance, and smooth finish. . . . . \$2.00
- DANUBE WAVE** (Schreiner '47) M. 38 in. (Anitra X Narain). Clear marine-blue of fine form with flaring ruffled petals. Popular. A. M. '51. . . . . \$1.00
